OFFICE OF
GENERAL COUNSEL

MEMORANDUM

SUBJECT: Concurrence in Decision on Petition of American Coke and Coal Chemicals Institute

FROM: Susan G. Lepow. 
Associate General Counsel
Water Division (2355A)

TO: Benjamin H. Grumbles
Assistant Administrator for Water (4101M)

By a letter dated October 4, 2004, American Coke and Coal Chemicals Institute (ACCCI) submitted a petition for EPA to reconsider, or alternatively, to revise in a new rulemaking, certain aspects of the Effluent Limitations Guidelines, Pretreatment Standards, and New Source Performance Standards for the Iron and Steel Manufacturing Point Source Category. We have reviewed the decision denying the petition and concur in your decision.
